**HOTEL WINDSOR**

ESTABLISHED 1883

**HISTORY**

The Hotel Windsor is Australia's most loved and recognised grand hotel. Built in 1883 during the Victorian era and pre-dating other notable hotels such as The Savoy, Waldorf Astoria, Ritz Paris and The Plaza Hotel, it set a benchmark for style, elegance, sophistication and charm which remains ever present today. The 180 room hotel blends stunning Victorian architecture with all the luxury appointments and facilities of a 5 star hotel.

**LOCATION**

The hotel is located in Melbourne's most central and fashionable district. Its location is in close proximity to the corporate, financial and designer heart of Melbourne. Many of the city's best theatres, landmark attractions and sporting venues are within a comfortable walking distance. The hotel is located 20km from Melbourne's Domestic and International Airport, with a traveling time of between 20-45 minutes. Parliament train station and tram stops including the City Circle route are located at the hotel's door step.

**ACCOMMODATION**

The Hotel Windsor features 180 luxuriously appointed rooms and suites. With three room and four suite configurations, there is a level of luxury suited to all budgets. Starting with our Traditional Queen rooms, including all the lavish appointments expected of a five star hotel, through to our indulgent Victorian Suites which feature separate lounge and private dining room where the accommodation is more reminiscent of a stately residence than a conventional hotel suite.
